were in Federal Steel issues, Central Pacific and Union Pacific issues and Texas Pacific Federal Steel common, which was second only to Atchison preferred in respect to activity secred a net advance of over 4 points and slosed at about the highest price. It is under stood that the sharp advance in the shares of the Federal Steel Company is based upon the fact that the results already obtained from the con solidation of the various properties, and also from the extraordinary condition of the iron trade, are considerably in excess of the expecations of those who formed the combination. The market for Union Pacific stocks was influenced by the belief that capitalists largely interested in the company have secured pontrol of the Chicago and Alton Railroad. Sumors of buying for control attended a further noteworthy net advance in Lake Eric and West-ern shares. The unusual prominence attained by Texas Pacific suggested the possibility of a payment of interest upon the second mortgage bonds of the company. Among the less active most conspicuous at a net advance of 7% points.
The shares of the successor company "deliverable when issued" also advanced sharply.
Bumors were current that the reorganized Baltimore and Ohio company might be bene-fited in some way by the change in the control of the Chicago and Alton property. The stock of the last named, by the way, advanced 3 points on comparatively light transactions. The abnormal activity in Central Pacific

seemed to confirm advices from Washington that an agreement has been reached between the company and the Government relative to the refunding or extension of the Government lien upon the property. There was a revival of activity in International Paper common that left the stock nearly a point and a half higher than yesterday, and similar movements may be noted in Pittsburg and Western preferred, P., C., C. and St. Louis, National Biscuit, American Steel and Wire issues, Colorado Fuel and Denver and Rio Grande. The only stocks other than Atchison preferred that showed a reactionary Sendency were Sugar Refining and a few of the specialties. The closing was in the main very

REAL ESTATE NEWS.

The sale of the Beekman property on the southeast corner of Park avenue and Sixty-fifth street, a plot 100.5x205, the first dimension being that of the avenue front, was the first important sale of Park avenue property in some time. There are very few vacant plots on Park avenue, especially the lower end. It is well improved by many fine apartment houses. This property just sold has been in the Beekman family since 1793, when it was purchased by William Beekman, the great-granduncle of the recent owners. It adjoined the famous Beekman farm, purchased in 1760 by William Beekman, who was then the possessor of property on Cherry street, according to the tax list of 1709, valued at £5,000. The

to the tax list of 1709, valued at £5,000. The plot will be improved by the purchaser, Leopold Newborg, with American basement private dwellings. Lalor & Beringer were the brokers in the sale.

Walhalla Hall is still to be a landmark of the east side. Cyrille Carreau, who sold it yesterday to Jacob Levi, said that the old hall will be remodelled and used as a meeting place and a synagogue for one of the east side. Zewish congregations. The report has been circulating that it was to be torn down and replaced by tenements. Mr. Carreau said that the rumors were without foundation.
